

Dear Sirs:

I am a very happy subscriber to XM satellite radio. I love the variety and quality of the XM service. I cannot find anything similar on regular radio. I pay for my XM service and I DO NOT want the National Association of Broadcasters to dictate what I'm permitted to hear! I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Respectfully yours,  
Annie Velletri
